A hand-drawn sketch of a mobile application registration screen. The screen is enclosed in a rounded rectangle with a thick border. At the top, there is a status bar with three circles. Below it is a header bar with a back arrow, the title "Registracija", and a menu icon (three vertical dots). The main content area contains five rows of labels and text fields: "Ime i prezime", "Broj telefina", "E-mail adresa", "Korisničko ime", and "Lozinka". Each label is followed by a text field labeled "Text Field". Below these fields is a checkbox with a checkmark and the text "Prihvaćam uvjete korištenja". At the bottom of the form is a button labeled "Dovrši registraciju". Below the button is the text "Uvjeti korištenja". A dotted line connects the number "8" to the back arrow in the header bar. Another dotted line connects the number "8" to the "Dovrši registraciju" button.

12 - Dodaj novi smještaj

The mockup shows a mobile app interface for adding a new accommodation. At the top, there's a title bar with the text "Dodaj novi smještaj". Below this, there are several input fields for different attributes: "Naziv", "Ulica", "Kućni broj", "Poštanski broj", "Grad", "Broj ležaja", and "Cijena (€)". Each field is followed by a "Text Field" label. There is also a checkbox labeled "Trenutno dostupan" which is checked. Below the checkbox is a date field labeled "Dostupan do" with a placeholder "dd-MM-yyyy". At the bottom, there are two buttons: "Potvrdi" and "Odustani".
